givejedahand #Yep! It's #still there! #CAMH #Downtown #West #Lansdowne #QueenWest #WestQueenWest #Parkdale #Toronto #streetsoftoronto #streetphotography The #Curse of #MentalHealth is #CAMH #Psychiatry - #CAMH #Nursing is a close second. What #workplace #standards does this meet? #None! It's been like this for weeks. I even went in to complain to a nurse about it. She condescending assured me (1) she hadn't noticed it and (2) she'd clean it up! Two lies unless she meant next year. This organization stinks from top to bottom. Literally, of course!
